

SENIOR SUMMER GUIDE

Stay Cool,
Safe &
Connected
This Season

HYDRATION IS KEY: FLORIDA HEAT CAN SNEAK UP ON YOU.

- Build hydration into your routine—don't wait until you're thirsty
- Use marked water bottles to stay consistent
- Watch for signs like fatigue, dizziness, or confusion

Hydration is part of our daily wellness

approach. Residents enjoy easy access to water stations, chef-prepared meals that support fluid intake, and gentle reminders from our care team.

SUN SAFETY IS SELF-CARE: PROTECT YOUR SKIN AND YOUR ENERGY.

- Limit direct sun during peak hours (10:00 AM – 4:00 PM)
- Wear breathable clothing, wide-brimmed hats, and UV-protective sunglasses
- Apply SPF 30+ sunscreen—and reapply often

Our outdoor spaces are designed for

comfort with shaded paths and covered patios. We promote sun-safe habits through thoughtfully timed activities, so residents can enjoy fresh air without overexposure.

STAY SOCIAL, STAY STRONG: BEAT THE HEAT—AND ISOLATION.

- Join indoor activities like art, music, and chair yoga
- Invite loved ones for a visit or a shared meal
- Stay connected with video calls and virtual chats

Our life enrichment calendar is filled with

opportunities. From workshops to group discussions and entertainment, programs keep residents engaged, stimulated, and socially connected—no matter the weather.

BE STORM-READY: FLORIDA WEATHER CAN CHANGE FAST.

- Keep medical info and emergency contacts current
- Have a plan for power outages and communication
- Know who to turn to when conditions change

Safety is built into every aspect of our

community. We're prepared—with backup power, trained staff, and clear emergency protocols—so residents and families can feel confident, even when the forecast is uncertain.

A SEASON TO SAVOR

With the right environment and a team that understands the season's demands, this time of year can be not only manageable—but truly enjoyable. Let Providence Living at Pembroke Pines be your trusted resource for support, wellness, and peace of mind this summer.

Call Farrah Farivar at 954-363-0574 today to schedule a tour or discuss how we can help this summer.
